

Podcast Party Potpourri-milk and more milk, daycare guilt and thumb sucking

Join us as we talk with moms from Building the Family, part of Child, Home and Community, a Pennsylvania based organization dedicated to empowering young parents. We share with you a few tidbits on milk, daycare and thumb sucking – topics gathered from a podcast recording party held this summer. Here we are pictured with the fabulous moms and some of their children (listen carefully and you will hear the pitter-patter of little feet in the background).
